Contributed by Lisa Renee

Beloved Presence of God, Spiritual and Planetary Hierarchy:  
We hereby Ask and Pray with all of our hearts and souls and minds  
and might for divine abundance made manifest through personal fortune  
and success!

We are willing to move beyond the fear in order to Fulfill God's plan  
on Earth and Beyond.

We personally pledge to open ourselves to the financial wealth in  
order to fulfill our group and individual service commitments.

In God's name, we accept our Divine Heritage Right Now and thank  
thee for the timely answer to this prayer.

Let Light, Love and God's Power restore the Plan on Earth. God's  
will be done!!

Repeat 3 times

take this thought form prayer to God, with all of the mana and vital force  
needed and necessary to demonstrate this Prayer.
